AMENDMENT

ASSISTANT COMMISSIONER FOR PATENTS
WASHINGTON, D.C. 20231

SIR:

In response to the Official Action dated August 1, 2002, please amend the above-identified application as follows:

IN THE CLAIMS

Claim 11 is amended as follows:

11. (Twice Amended) A nozzle for a burner, said nozzle comprising:
a body having a first end adapted to attach to the burner and a second end;
a first tube extending through said body, said first tube having a first inlet on said first end of said body and a first outlet on said second end of said body; and
a second tube extending through said body, said second tube having a second inlet on said first end of said body and a second outlet on said second end of said body,
wherein said first tube and said second tube are separate along a substantial length of said body,
